HAPPY NEW YEAR! The Staff of That's Dancin'! Wishes all of our dance families a healthy and happy new year! Thank you to all for our beautiful gifts and delicious holiday treats we received!

Inclement Weather: Our policy is to leave a detailed message on our answering machine one hour prior to class with the status for the day and any information regarding future make up lessons. The information will also be available on the newsletter page of the website. We do not necessarily follow school district closings. We also do not post our closings on any news or radio stations.

Costumes: Costumes are coming in! Please keep costumes in a safe place and protect fragile pieces. Most costumes and pieces are already on back order and cannot be replaced before they are needed for competition, pictures, or recital. Costumes will not be handed out to students who have not paid for their costume(s).

RECITAL BREAKDOWN: *A list of the recital/recitals that each class is participating in is now available and will be posted in the studio and online. Please check it carefully. If you have more than one child participating, there should be one show that you can attend to see all dances that they are performing in. If not, please let someone in the office know immediately. Please note that families with children dancing in the unlimited category may not be able to see every dance in one show. Thank you in advance for your understanding! It is very important that you perform with your class each and every time it is performing. Remember, it is a wonderful opportunity that you and your dancer work all year for. Our classes are teams and each member is important to its success.*
