Unlimited is divided by levels according to the number of classes a single student takes per week. This a monthly fee that is due the first class day of the month, you cannot switch back and forth when the month is shorter to paying for classes individually.

For instance, this month is shorter for Thursday, Friday and Saturday but next month there are 5 weeks for Thursday, Friday, and Saturday dancers. This means that every dancer taking classes in the months of September and October will dance for 7 weeks, therefore unlimited is the same for dancers no matter what days they dance!
