**ATTENTION STUDENTS:** Girls should wear a leotard, or tight fitting tank shirt with tights, leggings, or booty shorts to every class. No t-shirts or sweatshirts are permitted over the leotard during class. Many students have been wearing clothes that are appropriate for other sports and activities, but NOT for dance. We cannot make corrections to your alignment if you wear baggy clothes! Hair should be pulled back away from the face. If you have questions about appropriate attire please ask your teacher.

Inclement weather: Our policy is to leave a detailed message on the answering machine one hour prior to your class with the status for the day. This information will also be available on the newsletter page of the website. In the event of unsafe travel conditions we will move to Zoom for class that day. We do not necessarily follow school district closings. We also do not post our closings on any news or radio stations. A Zoom code and password for each class will be emailed to you soon. The class code will remain the same through the entire season and used whenever a snow day is in place.
