

**February 2022**

**RECITAL BREAKDOWN:** *I am currently working on the recital breakdown and it will be available the middle of this month. When it comes out, please check it carefully. If you have more than one child participating, there should be one show that you can attend to see all dances that they are performing in. If not, please let someone in the office know immediately. Please note that families with children dancing in the unlimited category will not be able to see every dance in one show. Thank you in advance for your understanding! It is very important that you perform with your class each and every time it is performing. Remember, it is a wonderful opportunity that you and your dancer work all year for. Our classes are teams and each member is important to its success.*

**TIGHTS:** A list of tights needed for all classes will be posted on the studio bulletin board and on-line by the 15th. Tights for all recital classes will be available to order, recital tight orders due by 3/31. Order forms are available in studio and on-line.
