**Unlimited is divided by levels according to the number of classes a single student takes per week. This a monthly fee that is due the first class day of the month, you cannot switch back and forth when the month is shorter to paying for classes individually.**

**For instance, this month is shorter for Thursday, Friday and Saturday but next month there are 5 weeks for Thursday, Friday, and Saturday dancers. This means that every dancer taking classes in the months of September and October will dance for 7 weeks, therefore unlimited is the same for dancers no matter what days they dance!**
